Sri Kalvakuntla Chandrashekar Rao Garu

Hon'ble Chief Minister, T.S.

Respected Sir,

Subject: Establish Rice Mill in one PACS of each District on Pilot /Model Project Basis to provide fair return to the Farmers-Sahakara Samkshema Samithi -Requested-Regarding.

Cooperative Greetings Sir!

The Telangana Cooperative movement is awaiting for your keen thought on strengthening of the Coop.Credit & Marketing system in the State. Sir, your priority is Farmer and the rural Telangana. In this regard, it is reported, that the Govt. is proposed to have more Rice Mills in the Private Sector. In this regard, we request your kind authority to consider to establish one Rice Mill in one Primary Agriculture Coop. Society (PACS) in each District. You are convinced that, comparatively, the Farmer member is more benefitted than the Private Rice Mill.

If necessary constitute a working group for establishing Rice Mill in one PACS in each District.

Present Paddy/Rice Market :

- Procuring Rate comes to Rs.26/- Per Kg.
- Open Market selling Price is Rs. 40/- Per Kg.

The PACS Society can sell the Rice on their Brand in the Towns/Cities in open Market.

Sir, Kindly consider to take as Pilot/Model Project, that would impress the Nation and the National Cooperative Credit and Marketing movement in India.

Thanking you sir.
